Sahelia: Ancient African-Inspired Linens

Founder Fatim Thiam created her line of luxury linens in response to what she saw as a dearth of enticing patterns and color combinations in the upper end of the bed linens market. Born and raised in Senegal, West Africa, and educated in France and the U.S., Thiam was inspired by traditional African culture together with her sense of style and eye for color. Crafted in Italy from the finest quality Egyptian cotton, Sahelia is available at Takashimaya and Gracious Home in Manhattan. See www.saheliahome.com
